✓ Create a MySmile® account

It gives you a secure, 24/7 access to your ID card, benefits information, out-of-pocket cost estimates, and more! Visit DeltaDentalWA.com to create your account.

✓ Choose an in-network dentist

Your plan gives you access to the Delta Dental PPO network. However, benefits go farthest when you visit a Delta Dental PPO dentist. Visit DeltaDentalWA.com to find a dentist in your network (learn how on the next page).

Your plan also comes with access to the Delta Dental Premier® network, which helps you find a PPO dentist outside of your area if needed. This means you can avoid higher out-of-network costs (see chart below).

How to find an in-network dentist near you:

1. Visit DeltaDentalWA.com.
2. Click on 'Online Tools' and use the 'Find a Dentist' tool.
3. Select 'Delta Dental PPO' to filter your search results.

Visit your dentist regularly

Your plan covers preventative care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

Get out-of-pocket cost estimates

Knowing your cost upfront helps you and your dentist plan treatments to maximize your benefits. **MySmile Cost Genie** gives you instant, cost estimates. It's great for basic treatments like fillings. Simply sign in to MySmile account to get your personalized estimate.

When you need extensive treatment, like a crown, ask your dentist for a "predetermination." You'll get a **Confirmation of Treatment and Cost** from us. It details your dentist's treatment plan, what your benefits cover, and how much you may owe your dentist for the treatment.
