• If your account summary shows a vested balance, it means these funds belong to you. Once you reach the normal retirement age of 65, you are eligible to receive payments from your account. Your retirement payment option will be based on your account balance the month prior to your request.

- If your balance is greater than \$2,400, you may only receive monthly installments but can do so even if you are still working.
- Additional information, including current year activity, is available on the "Account Details" section of www.millimanbenefits.com. Please take time to review the information contained in this statement.

The SEIU 775 Secure Retirement Plan (SRP) was created to help provide you with additional financial security when you retire. This statement provides information about your account as of June 30, 2020. Your current balance is available online at myseiu.be/myplan-srp (or www.millimanbenefits.com). The enclosed information tells you more about how to register your account.
